[Chorus x2]

Them fool hate I got a fancy car (un huh)  
Them fools hated it cause I'm buying up the bar (un huh)  
Them fools hated it cause I just got out the pin  
nigga, my money long and I ain't going back again

[verse 1]

This rap game use to be yours now its not (yup)  
I blowed up the spot, got your ass hot, (un huh)  
like it or not I'm getting every thing you got  
a house on the hill mother fuck this record deal  
nigga for real I got mines pushing this weight  
not how you got yours scrubbing floors, opening doors  
and pulling drinks  
for white man riding on a swig  
now you got-a Benz, shit load of friends  
yet you still hate, a nigga fresh out the gate (un huh)  
enemy of the state (un huh) rappers love to hate  
rhymes by the crate, make these ho's masturbate and  
don't discriminate  
nigga do I put it down like Joe, hell no!  
fool I never was a player, I'm shooting not to fail  
nigga ain't got a pry walking with this underground  
gangster shit  
stop what you talk

[Chorus x2]

I bring the pain with my label mates, let's get it straight  
nigga's use to be thugs now I'm alone at the clubs  
whipping on scrubs, dealing with the fuzz  
is a mother-fucker blood, now cuze I never was (no no)  
who do it like I does in this industry  
these mother-fuckers killing me (nobody)  
I'm the epitome summing up this underground  
gangster shit  
After "The Last of a Dying Breed," I plant a new seed  
smoke it with a new breed, gun concealed  
I ain't tripping off this record deal, and that real  
hittin licks with my seal, getting money like O'Neal

who's the dirty south finest? (me) hip hop your  
highness (me)  
take it from the realest you know  
I've been beaten on the wall since 86  
rapping 'bout clicks penitentiary 10 by 4 in my cell  
bumpin  
now I'm at the clubs toast to my thug niggas

[chorus x3]
