[Chamillionaire]  
A-Keem drunk gleam  
Unlock, pop the scene  
Kickers soundin' like my trunk just swallowed a soccer-team  
The candy-berry drop  
Sittin' outside the Merriot  
Is what got ya miss very hot  
Tryna give me the hairy spot  
My album ain't barely drop  
I don't live on a fairy block  
A scary block, where niggas get buried and carry  
glocks  
Niggas be frontin' like they brave, cuz scary niggas get  
shot  
Bullets be in the glock, talkin' bout "ay let me out"  
Hold up..If you can prove I ain't the throwedest on the  
streets  
Then stand up, right now go ahead and speak ya peace  
Anybody? Okay, unanimous vote  
We all agree that every time he touch the mic it get  
broke  
Choke the chord til' it smoke  
And don't get Twin pissed  
He'll put the heater to ya lips and you'll wish that he  
missed  
I hope you get my drift while I un-twist the Crist'  
Lookin' like a poisonous light-bulb bit my wrist  
I'm showing so much green, I'm glowin' so picture me  
As a iced-out ghetto, statue of liberty  
"Chamillion don't spit for free  
That nigga turned down a G  
I sent hl'm the deposit, he sent it right back to me"  
For the record, Chamillion wreck-it  
I wreck it so don't eject it  
Disrespect have ya girl at the hotel showin' naked  
Get it right dawg correct it  
I got this rap game perfected  
Detect the women went blind when my necklace  
reflected  
Wood-grain got molested, does this mean I'm

peverted?  
Ya feelings got hurted, she want me to insert and  
squirt it  
She wanted to make love to my voice, the first time she  
heard it  
Look, don't touch me, to broke hoes I'm allergic  
The jury was the verdict  
Chamillionaire is guilty  
Of being, off the hook, off the heezie-fa-sheezy filthy  
Bitch, get off the dick, this the Boss Hogg year  
Nigga we all floss here, poof-pow disappear  
Whoo!
