(Codex:)

Do you wanna date my avatar?

Do you wanna date my avatar?

Hang with me in my MMO

So many places we can go

You'll never see my actual face

Our love, our love will be in virtual space

I'm craving to emote with you

So many animations I can do

Be anything you want me to be

C'mon, c'mon and share a potion with me

Do you wanna date my avatar?

She's a star

And she's hotter than reality by far

Wanna date my avatar?

You can type commands

I've got slots for what I hold in my hands

Don't care what's in your character bank

How 'bout, how 'bout a little tank and spank?

Grab your mouse and stroke the keys

Here in cyberspace there's no disease

Pick a time, send a tell to me

Just pay, just pay a small subscription fee

Do you wanna date my avatar?

She's a star

And she's hotter than reality by far

Wanna date my avatar?

(Vork:)

Single white human

Looking for group

My stats so high

You'll be out of the loop

(Zaboo:)

Got an uber leet staff  
That you can equip  
Close your mouth up ladies  
This is pure nerd-nip

(Vork:)  
I'm a fiction based fantasy  
A man so stoic  
I hack and slash  
Who the heck's more heroic?

(Zaboo:)  
Check me out, cloth armor  
Fits me like a glove  
Just twitter a time  
I'm ready for love

(Codex:)  
Hang with me in my MMO  
So many places we can go  
I'm better than a real world quest  
You'll touch my plus five to dexterity vest

What role do you wanna play?  
I'm just a click away night or day  
And if you think I'm not the one  
Log off, log off and we'll be done

Do you wanna date my avatar?  
She's a star  
And she's hotter than reality by far  
Wanna date my avatar?

Do you wanna date my avatar?  
She's a star  
And she's hotter than reality by far  
Wanna date my avatar?

Do you wanna date my avatar? (x8)
