I can't see past the mirror,
I can't see past the walls,
Behind my face the tired smile
I can't see much at all

And I don't like it,
When I feel like I've lost my way
And I don't like it,
But you call me back when I hear you say

It's alright,
Don't be so hard on yourself
You're alright,
Just the way you are
It's alright,
Don't be so hard, don't be so hard on yourself

You're diving in still waters
I'm diving in too fast
I'm on the edge and I might fall
Shatter just like glass

And I don't like it
When I feel like I got no face
I don't like it
But you pull me back when I hear you say

It's alright
Don't be so hard on yourself
You're alright,
Just the way you are
It's alright
Don't be so hard, don't be so hard on yourself

And it amazes me
What you made me believe

It's alright,
You take me anyway
It's alright,
Just like you say

It's alright,
Don't be so hard on yourself
You're alright,
Just the way you are
It's alright,
Don't be so hard, don't be so hard on yourself
