I can't see past the mirror,  
I can't see past the walls,  
Behind my face the tired smile  
I can't see much at all

And I don't like it,  
When I feel like I've lost my way  
And I don't like it,  
But you call me back when I hear you say

It's alright,  
Don't be so hard on yourself  
You're alright,  
Just the way you are  
It's alright,  
Don't be so hard, don't be so hard on yourself

You're diving in still waters  
I'm diving in too fast  
I'm on the edge and I might fall  
Shatter just like glass

And I don't like it  
When I feel like I got no face  
I don't like it  
But you pull me back when I hear you say

It's alright  
Don't be so hard on yourself  
You're alright,  
Just the way you are  
It's alright  
Don't be so hard, don't be so hard on yourself

And it amazes me  
What you made me believe

It's alright,  
You take me anyway  
It's alright,  
Just like you say

It's alright,  
Don't be so hard on yourself  
You're alright,  
Just the way you are  
It's alright,  
Don't be so hard, don't be so hard on yourself
