I know my timing's bad
so I'm forcing up an, an apologetic smile
and just being myself
I've gone and made my own disguise
I was never good at talking
but the preps are so fantastic

wait for me here, I'll find a home
making a midst of the perfect 90's radio song

to chalk this up to spite
and although I wasted time
I need some more of it
I though I'd I'll yell a little
to show my hometown I'm alive
And the sea of fenders
I find my only life
wait for me here, I'll find a home
making a midst of the perfect 90's radio song
wait for me here, I'll find a home
making a midst of the perfect 90's radio song

da da da...la da da...la da da

wait for me here, I'll find a home
making a midst of the perfect 90's radio song
wait for me here, I'll find a home
making a midst of the perfect 90's radio song
