I've got a day and a reason
Why I should not believe in...
Anything, anymore
What's this for?
My time well spent
I've got all these memories that I cannot believe in
'Cause I don't know where I've been
All these years
All these years

And do you know this reason?
I hope that you can see it
'Cause I will not give up and
We all know what you've done again
I can see right through you
You're makin' your way over again...
Again

Two days after leavin'
And I don't have a reason
To keep you from being here
I don't steer
These thoughts away
I know that you know this but I could never get you
To believe all my fears
Is this your clear?
I think so

And do you know this reason?
I hope that you can see it
'Cause I will not give up and
We all know what you've done again
I can see right through you
You're makin' your way over again...
Again, again, again

And do you know this reason?
I hope that you can see it
'Cause I will not give up and
We all know what you've done again
I can see right through you
You're makin' your way over again...
Again, again

And do you know this reason?
I hope that you can see it
'Cause I will not give up and
We all know what you've done again
I can see right through you
You're makin' your way over again...
