Make It Happen

Tonight  
Under lights we stroll  
And we're never coming back

And I swear  
I'll never let you go  
If you come away  
With me

And I'm never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen  
Someday

Find the time  
No matter where you are  
When your day it comes again

Make it last  
No matter how so far  
Another day will come again

I swear I'll never let you go  
If you come away with me  
Alone all night  
Alone we'll be singing

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen  
Someday

Make it last  
It'll be so hard  
You don't know how much this is

We'll go so far  
You'll see it's not hard  
We'll go so far  
You'll see it's not hard

We'll go so far  
You'll see it's not so  
We'll go so far  
You'll see its not hard

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen

Someday
