Here we are today.  
You look so beautiful I wonder what you dream.  
So graceful in what you say  
Its all I need to hear your voice everyday.

I wish never to wake up from this dream I'm in right  
now.  
Here I am watching clouds from your bedroom window  
As we're laying here.

And I wake up today  
Still smiling in the air.  
Wish dreams could be so great.

I think today I'll try and kiss you on your cheek.  
I hope you'll let me go.  
I know you're the one.  
Its all I want to hear you say your mine.

Talk about and take you there you will see the one true  
thing.  
Places that you've never been places that your gonna  
be.  
I will be the one person to open your eyes.

In love with me

I wish never to wake up from this dream I'm in right  
now.  
Here I am watching clouds from your bedroom window  
As we're laying here.

It's so much fun  
It's so much fun  
To be in love  
To be in love.  
Its so much fun  
Cause I'm in love with you.
