

## **The Early November "Something That Produces Results"**

Visit "[Something That Produces Results](#)" on MotoLyrics.com

Clever is a general word  
While always showin' that she's hurt  
But never wrong, but never wrong  
It takes a lot to make the end  
It takes a lot of smart thinkin'  
But never wrong, but never wrong

And she shows off her skill  
Right as she takes it all  
Out of her hat  
You make sure that it's real,  
And it's all you thought you had  
And now you're scared  
And now you're scared

Clever is a general word  
While always showin' that she's hurt  
But never wrong, but never wrong  
It takes a lot to make the end  
It takes a lot of smart thinkin'  
But never wrong, but never wrong

Clever, clever is all  
But you're never wrong  
Clever, clever is all  
But you're never wrong

All I can see  
Is the smiles  
Fall asleep  
And now I'm scared  
And now I'm scared  
And now I'm scared

Clever is a general word  
While always showin' that she's hurt  
But never wrong, but never wrong  
It takes a lot to make the end  
It takes a lot of smart thinkin'  
But never wrong, but never wrong

Clever, clever is all

But you're never wrong  
Clever, clever is all  
But you're never wrong
