So we take the night,
If we fall then we're done,
So then take it right,
This one chance we've got,
Don't mess up.

Fight with pride,
And fight to the end,
Strike on,
This is your chance,
Make it worth your life.

So be careful what you see,
It can mean the end,
Be careful what you read,
They're planning the end of you.

Fight with pride,
And fight to the end,
Strike on,
This is your chance,
Make it worth your lif
