The motherfuckin world is a ghetto

filled with magazines, full clips, and heavy metal

and brady is gay

.. I'm just lookin for a big yellow;

in six inch stilletos

Dr. Dre {Hello..} perculatin keep em waitin

While you sittin here hatin, yo' bitch is hyperventilatin'

Hopin that we penetratin, you gets natin

cause I never been to Satan, for hardcore administratin

Gangbang affiliatin; MC Ren'll have you
wildin off a zone and a whole half a gallon
{Get to dialin..} 9 1 1 emergency
{And you can tell em..} It's my son he's hurtin me
{And he's a felon..} On parole for robbery
Ain't no coppin a plea, ain't no stoppin a G
I'm in the 6 you got to hop in the 3, company monopoly
You handle shit sloppily I drop a ki properly
They call me the Don Dada
Pop a collar, drop a dollar if you hear me you can holla
Even rottweilers, follow, the Impala
Wanna talk about this concrete? Nigga I'm a scholar
The incredible, hetero-sexual, credible
Beg a hoe, let it go, dick ain't edible
Nigga ain't federal, I plan shit
while you hand picked motherfuckers givin up
transcripts

Did I fall off? Got you in your room

rippin every "Chronic" poster on your wall off

Just cause I put away the sawed off
Now I got you sittin back with a smirk;
listenin with your arms crossed
Questionin Dre's credibility {What?}
Wondering if it's still in me to produce hits;
Y'all be killin me
As if I need to make mo' - I got a mansion
and six cars that are paid fo' - suck my dick! {Hello..}
We came a long way from not givin a fuck
Sellin tapes out of a trunk to movin this far up
Now we got the whole world starstruck
Made a million plus and still don't give a motherfuck
Motherfucker I'm Dre - I don't need your respect
I don't need to make another album bitch I don't gotta
do shit
I do it because I want to not to stay in the game
Fuck the fame, I'm still stayin the same, lil' bitch!
