Oh My Gosh, Oh My Gosh

Oh My Gosh, Oh My Gosh

Oh My Gosh, Oh My Gosh

Hey you check it I think it's time

To wreck it.

So here I go again witht he stuff

So let's test it.

Cool like tha ice Vanilla here's the flava

Freezin' up tha mic to hit ya with

So you can savor.

No slippin' nor stonin' gettin' straight

To tha poinst.

Hit tha mad izm and light another joint

Tha easy like style is what I kick when

I'm kickin' no trippin' I'm spliffin'

So get a good wiff and get with tha style,

That I'm using no guessin'

So here's a quick lesson I got my Smith & Wesson

Listen up close and there will be no confusion

Now you're addicted to mentally abuse it.

Word to tha mutha, I'm here to tear it up,

And if ya can't get with it, I don't give a
So run and tell ya crew and tell 'em ICE is
Near this here is for tha people the ICE is
Rated lethal.

Here I come with tha nine in my hand,
It's time to wreck shop now tell me who's
The man.

Just like Ali I'm tha thriller in Manilla,
Tearin' stuff up like my man godzilla.
Makin' tha suckers drop when ya steppin'
To my zone comin' straight up like my man
Al Capone.

You try to cross me up I'll jump you like
You was a checker,
And like jerry Rice I'm into breakin' all records.

Rollin' with my crew firm up a blunt,
My hands on tha pump bust u on beachfront.
In case you forgot I'm here to remind you,
I'm chiller, chiller than the ice on Vanilla.

Word, word to tha herb as you heard,
I'm hittin' 3 pointers just like Larry Bird.

you can't touch this, welcome to tha hit list
Try to play me out, you catch a big fist quick.
Pop in ya eye, don't try to ask me why.

Cause it's like that fool ya hangin' with tha ICE,

Cause it's cool and like I said this here's for
Tha people tha ICE is rated lethal.
It goes a 1 to tha 2 to tha 3 to tha 4.
The ICE be tha leader, so open up tha door.
Check it out, cuz what I'm all about is gettin'
Mad paid, cuz the green is real sticky.
My stuff is kinda tricky, so listen up close.
And when ya ask tha ladies they love tha ICE
Tha most.
So open up ya car and look inside here
And keep ya self in line you and please don't
Stare.
Cuz cool is how I'm coolin' and there just
Isn't nuttin' to it.
Don't ask me no questions, cuz you already knew.
Now get with tha program and listen to tha style,
So lend me an ear so I can get buckwild.
Ya girly can't resist it so chill while I kick it,
So bur a hootie mac so go ahead and twist it.
My records on tha table, I'm droppin' it on tha
Needle, this here is for tha people that ICE is
Rated lethal
