Yeah, we're gunna go out tonight,
Yeah, we're gunna be alright,
Drinking,
Dancing, we'll we out of our minds,
Yeah, we're gunna be out tonight,
Yeah, we're gunna be alright,
We're drinking and dancing, and baby we're out of our
minds.

Yeah, we're gunna go out tonight,
Yeah, we're gunna be alright,
Drinking, and dancing, and killing our time,
We'll be out of our minds,
You know we're playing it cool tonight,
Yeah, yeah, yeah,
Hey.

Why don't they just open up?
Nobody's gunna serve us now,
Nobody, no wonder, nobody, no know how,
So lets move on to another place,
Another place where the dances are great,
We're smoking to much and we're drinking the town
dry,

Yeah, we're gunna go out tonight,
Yeah, we're gunna be alright,
We're drinking, and dancing, and baby we're killing our
time,
We'll be out of our minds,
You know we're playing it cool tonight,
Yeah, yeah, yeah,
Stop.

The only thing is about tonight,
You know the boys will be playing it cool,
Drinking and dancing and baby we're hot,
Yeah,
About tonight,
You know the boys will be playing it cool,
So, stand up and dance or get out of our way.

Yeah, we're gunna go out tonight,
Yeah, we're gunna be alright,
We're drinking, and dancing, and baby we're killing our
time,
We'll be out of our minds,
You know we're playing it cool tonight.

Don't you know, the bell is ringing?
Don't you know, that we'll keep drinking?
Don't you know, that we're not gunna leave?

Don't you know, the bell is ringing?
Don't you know, that we'll keep drinking?
Don't you know, that we're not gunna leave?

Don't you know, the bell is ringing?
Don't you know, that we'll keep drinking?
Don't you know, that we're not gunna leave?

Oh oh oh, oh oh oh oh oh,
Oh oh oh, oh oh oh oh oh,
Oh oh oh, and we're not gunna leave.

Yeah, we're gunna go out tonight,
Yeah, we're gunna be alright,
Dancing, and drinking and baby we're out of our
minds,

Don't you know, the bell is ringing?
Don't you know, that we'll keep drinking?
Don't you know, that we're not gunna leave?

Don't you know, the bell is ringing?
Don't you know, that we'll keep drinking?
Don't you know, that we're not gunna leave?
