When I think of all the good times that I've wasted  
having good times  
When I think of all the good time that 's been wasted  
having good times  
When I was drinkin'  
I should've been thinkin'  
When I was fighting  
I could've done the right thing  
All of that boozin'  
I was really losin'  
Good times  
Good times

When I think of all the good time that's been wasted  
having good times  
When I think of all the good time that's been wasted  
having good times  
All of my lying  
I remember her crying  
My useless talkin'  
I couldv'e been walkin'  
Instead of complainin'  
I couldv'e been gainin'  
Good times

Yes, here we all are having a jolly good time  
And everything is working out fine, ha ha ha ha ha

Useless talkin'  
All that walkin  
All of my sinnin'  
I could've been winnin'  
I have it too easy  
And its a beginning of good times

Good times  
I said good times  
Talking bout good times
