Let me tell you 'bout a girl I know
She my woman and she lives next door
Every morning 'fore the sun comes up
She brings me coffee in an old tin cup

That's why I know
Yes, I know
Hallelujah, I just love her so

When I'm in trouble and I have no friends
I know she'll love with me until the end
Yes, everybody asks me how I know
I smile at them and say she told me so

That's why I know
Yes, I know
Hallelujah, I just love her so

When she calls me on the telephone
"Baby, I'm all alone"
By the time I count, one to four
I hear that woman on my door

And in the evening when the sun goes down
And there is nobody else around
She kisses me and she holds me tight
"Eric, baby every thing's alright"

That's why I know
Yes, I know
Hallelujah, I just love her so
All right now

Now when I call her on the telephone
"Hey, baby I'm all alone"
By the time I count, one, two, three, four
I hear that woman on my door

And in the evening when the sun goes down
And there ain't nobody else around
She kisses me, holds me tight
Says "Baby, every thing's alright"

That's why I know
Yes, I know
Hallelujah, I just love her so
Whoa yeah
Hallelujah, I just love her so

She's my woman
Hallelujah, I just love her so
One more time
Hallelujah, I just love that gal so
Oh baby, yeah
