It's a hard world to get a break in  
All the good things long gone been taken  
But girl there are ways to make certain things pay  
Dressed in these rags I'll wear sable some day

Hear what I say, I'm gonna ride that serpent  
No more time spent sweatin' rent  
Hear my command, I'm breakin' loose, 'cause I ain't no  
use  
Holdin' me down, girl stick around

And baby, remember  
It's my life and I'll do what I want  
It's my mind and I'll think like I want  
Show me I'm wrong, hurt me sometime  
But some day I'll treat you real fine  
I'll treat you so fine, dear, you're so real

There'll be women and their fortunes  
Who just want to mother little orphans  
Are you gonna cry while I'm squeezin' them dry?  
Takin' all I can get, no regrets, when I openly lie

And live on their money, believe me honey  
You can have so much fun with that money  
Can you believe, I ain't no saint?  
I ain't got no complaints, so girl throw out, yeah any  
doubt

And baby, remember  
It's my life and I'll do what I want  
It's my mind and I'll think like I want  
You show me I'm wrong, it'll hurt me sometime  
But some day I'll treat you real fine

It's my life and I'll do what I want  
It's my mind and I'll think like I want  
Show me I'm wrong, hurt me sometime  
But some day I'll treat you real fine  
I'll treat you so fine, babe  
I'll give you everything, everything you want
