Life (Barton/Williamson/Steel) Dedicated to Noel Redding

I'm in a place. I don't seem to know,

what to do, or where I should go.

I'm just cruising, down the highway of life.

Look in a mirror, I see a face. Someone is there I can't seem to place. I'm just cruising down the highway of life.

Why does it have to be a hard road? Why does it have to be so long? Why is the road so long? I tried to take the short way home.

Then everything turned out wrong. Everything turned out wrong.

Why does it have to be a hard road? Why does it have to be so long? Why is the road so long? I tried to take the short way home.

Then everything turned out wrong.

I close my eyes for a moment,

I feel my body shake. Hear my heart pumping thunder.

This time I'm gonna break. IÃf'Ã,'m just cruising down the highway of life.

I hold my hands, up to the sky. I pray to god don't let me die,

until I've cruised my way, down the highway of life,

IÃf'Ã,'ve used my way down the highway of life.

Oh lose my way down the highway of life. I choose my

way. Down the highway of life, down the highway of
life, down the highway of life, down the highway of life.
Down the highway of life, highway of life, highway of
life..
