The people came and listened  
Some of them came and played  
Others gave flowers away  
Yes, they did, yeah  
Down in Monterey  
Down in Monterey

Young gods smiled upon the crowd  
Their music being born of love  
Children danced night and day  
Religion was being born  
Down in Monterey

The birds and the airplane  
Did fly  
Oh, Ravi Shankar's  
Music made me cry

The who exploded  
Into fired light  
Hugh Masekela's music  
Was black as night

Grateful Dead  
Blew everybody's mind  
Jimi Hendrix, baby  
Believe me  
Set the world on fire, yeah

His majesty, Prince Jones smiled as he  
Moved among the crowd  
Ten thousand electric guitars  
Were groovin' real loud, yeah

You wanna find the truth in life  
Don't pass music by  
And you know  
I would not lie

No, I would not lie  
No, I would not lie  
Down in Monterey

Alright

Three days of understanding  
Of moving with one another  
Even the cops grooved with us  
Do you believe me? Yeah

Down in Monterey  
Down in Monterey, yeah  
Down in Monterey  
Down in Monterey, yeah

I think that maybe I'm dreamin'  
Monterey  
Monterey, yeah  
Down in Monterey

Did you hear what I said?  
Down in Monterey  
That some music  
Monterey

I said  
Monterey, Monterey, Monterey  
Yeah, yeah, hey, hey, hey  
Aay, aay, aay, aay
