Well, dom, diddle dom dom
Little girl, where did you come from
Driving my boy crazy
C'mon, baby, I don't mean maybe

Said, "Yeah"
She said, "Yeah"
She said, "Yeah, yeah, yeah, yeah"
C'mon, baby, I wanna make love to you
Nobody but you

You know I will buy you a diamond ring
I'll buy almost anything
I love you, no one above you
C'mon honey, let me love to you

Said, "Yeah"
She said, "Yeah"
She said, "Yeah, yeah, yeah, yeah"
C'mon, baby, I wanna make love to you
Nobody but you, she said, "Yeah"

You know I will buy you a diamond ring
I'll buy almost anything
I love you, no one above you
C'mon, honey, just let me love you

Said, "Yeah"
She said, "Yeah"
She said, "Yeah, yeah, yeah, yeah"
C'mon, baby, I want to wrap my arm around you
That's what I said, baby

You know I'll buy you a diamond ring
Buy you almost anything
I love you, no one above you
C'mon, c'mon, let me love you

Said, "Yeah"
She said, "Yeah"
She said, "Yeah, yeah, yeah, yeah"
C'mon, baby, I wanna make love to you

Hit it one more time, baby

Well, dom, diddle dom dom
Little girl, where did you come from
Driving my heart crazy
C'mon, baby, I don't mean maybe

Said, "Yeah"
She said, "Yeah"
She said, "Yeah, yeah, yeah, yeah"
C'mon, baby, I wanna make love to you
Nobody but you
