There you go again  
Playing with my heart  
Just when I've moved on  
You're bringing me back to the start  
Oh well can't you see I'm breaking  
I've been there for the taking  
Now there's just one thing I'm asking of you  
Baby don't speak to me so softly  
Ask me if I'm okay  
Smile if you should pass my way  
Try not to wear your hair so pretty  
Be so bright and witty  
Laugh at all the jokes I make  
Cos I still think about you every day  
And it still hurts me when I hear you say  
You don't love me that way  
It's so bittersweet  
When I see you now  
And every time we meet  
You've got me wondering how  
How I'm supposed to smile and listen  
There's some new love you're kissing  
When I feel so desperate for you today  
Baby don't speak to me so softly  
Ask me if I'm okay  
Smile if you should pass my way  
Try not to wear your hair so pretty  
Be so bright and witty  
Laugh at all the jokes I make  
Cos I still think about you every day  
And it still hurts me when I hear you say  
You don't love me that way  
Oh can't you see I'm breaking  
I've been there for the taking  
Now there's just one thing I'm asking of you  
Baby don't speak to me so softly  
Ask me if I'm okay  
Smile if you should pass my way  
Try not to wear your hair so pretty  
Be so bright and witty  
Laugh at all the jokes I make

Cos I still think about you every day  
And it still hurts me when I hear you say  
You don't love me that way
