Love is a many splendored thing,
love lift us up where we belong all you
need is love
Please don't start that again
All you need is love
A girl has got to eat
All you need is love
She'll end up on the streets
All you need is love
Love is just a game
I was made for loving you baby and you were made for
loving me
The only way of loving me baby is to pay a lovely fee
Just one night, give me just one night
There's no way 'cause you can't pay
In the name of love, one night in the name of love
You crazy fool I won't give in to you
Don't...leave me this way I can't survive without your
sweet love
oh baby don't leave me this way
You'd think that people would've had enough of silly
love songs
I look around me and I see it isn't so, oh no
Some people live their life by silly love songs
well what's wrong with that I'd like to know cause here I
go,
Love lift us up where we belong where eagles fly, on a
mountain high
Love makes us act like we are fools,
throw our lives away for one happy day
We could be heroes just for one day
You, you will be mean
No I won't
And I, I'll drink all the time
We should be lovers
We can't do that
We should be lovers
And that's a fact
Though nothing will keep us together
we could still try just for one day
We could be heroes forever and ever

We could be heros just becoase iiiiiiiii iay will always
love you
