Was it Washington Square  
Or the way you wore you hair?  
Was it central park  
Or kissing after dark?  
Guess I'll never know  
Not sure I even care  
But my heart will always live  
With you and me there  
But I can't afford to live in New York City  
Ahahahah  
And she can't afford to leave  
Ahahah  
Was it the Sea Port in June  
Or your face by the moon?  
Was it Soho's charm  
Or you and I arm in arm?  
Was it the 6 train uptown  
Or true love that I found?  
It all blends into one  
When I think of you now  
But I can't afford to live in New York City  
Ahahahah  
And she can't afford to leave  
Ahahah  
Well I know that a promise is to keep  
But money's tight and I've been losing sleep  
Old Man Circumstance will have his way  
It's true  
But what I wouldn't give to stay here with you  
And I can't afford to live in New York City  
Ahahahah  
And she can't afford to leave  
Ahahah  
And I've never been good with good-byes  
But good-byes are all I have
