"Pray"

Pray for me
As you would a child
In a land
Of oppression

Millions
Cry around the world
But I cry
In your back garden

Please pray for me
And I'll pray for you
Well, it's no revolution
But it's something
Something we can do

I'll pray
Today
Today
Today
Today

Pray for me
As you do for peace
In a world
Of aggression
Hear me
It must make the news
For us to show
Some affection

Please pray for me
Like I pray for you
Well, it's no revolution
But it's something
Something we can do

I'll pray
Today
Today
Today
Today

Today
Today
Today
Today
