

The Echoing Green "Tonight"

Visit "[Tonight](#)" on MotoLyrics.com

Underneath the open sky
Beneath the stars we cry
And I can't see your eyes

How I wonder where you are
Sometimes you seem so far
Especially tonight

Though I know you have to run
How I want you to stay on
And see how far we've come

No, we cannot always wait
To choose the perfect day
To mean the things we say
I can't let you go
Somehow I think you know
But if you have to leave
Now's the time, when I'm still strong
My sight still clear

Tonight...
