When Stumik get in it, it's nothing but reluctant

Climb the walls like King Kong, going up on the building  
(MOVE), I'm screaming your name, it's puppy love and

For rough sex in the seat of the Range  
I'm fiending to bang, baby girl, I'm peeping your frame

Yelling my name from the top of her range  
Little young thing, sweet and petite, look good enough

Take her to dinner in the luxury suite  
What you know about rocking lenin, perfect gentleman  
Swimming in the most feminine women  
Ralph Lauren lenin on, putting my women on  
Body incredible, edible, cinnamon thong

[Hands]

Aiyo, I like the way she move, I'm a beast when she  
swing it, it reach  
Across the street, got me ready to beat  
Like 'em certified freaks, in the bed, when she giving

She got me feeling like I'm laying in bread  
Mami shake it, you infactuate the spot, treat 'em like

Have her tongue kiss the crotch, ma, you official
