Well, this is not a good sign  
you don't know when, but you're running out of time  
and then the life that you had and your heart  
well, it passed on before you fell apart

don't you know you're a good girl?  
won't you please act that way?  
oh, be a good girl, desiree

well, she grew up just south of Eau Claire  
dreaming of a dirt road anywhere  
and the boys, they would drive her right into the night  
and through the darkness she could at least see city  
lights  
and if you're going to go a mile  
may as well go all the way  
oh, and you were moving, desiree  
so, get moving desiree

and you thought you'd live forever  
but you're not so sure today  
so you dropped to your knees and you prayed  
and you thought you'd lived forever  
but if your heart should stop today  
god knows you were a good girl anyway  
so, be a good girl desiree

oh, you're a good girl, desiree
