Worn, asshole is puckered, worn... easily I slide my
cock in Warm... anal walls leaking, shit...
gradually spills from her ass. No vagina for me only
rectal decimation of her most
intimate of areas. Her asshole pulsates as I drive my
meat stick deeper, tearing her,
Inner walls, ejaculating inside the shit stained cavity.
Wretched semen spreads throughout
her intestinal tract, Coating the inside of her
completely. My semen have found their mark,
penetrating her egg to begin transformation, Rectal
vomitous seed, Injected from the rear
it's only the beginning, Of the pain she will endure.
From the thing that grows inside
of her that must feed. Umbilical food supply gone. The
taste that it craves is its
whore of a mom, Victimized through.... Torturous
impregnation by fecalized insemination.
The ravenous grotesque, that feeds from inside,
Splatters through her organless stomach
Only to emerge and penetrate its dead mother. With its
incestuous member,
relieving her of, Her complaints of agony.
