You pretty ladies around the world  
Got a weird thing to show you  
so tell all the boys and girls  
Tell your brother, your sister, and your mama too  
cuz we're about to go down  
and you know just what to do  
wave your hands in the air like you don't care  
gilde by the people as they start to look and stare  
Do your dance, do your dance, do your dance quick  
mama  
come on baby tell me what's the word

Word up everybody says  
when you hear the call you've got to get it underway  
Word up it's the code word  
No matter where you say it, you know that you'll be  
heard

Now all you sucker DJ's who think you're fly  
there's got to be a reason and we know the reason why  
why you put on those airs and you act real cool  
but you got to realise that you're acting like fools  
If there's music we can use it  
we're free to dance  
we don't have the for psychichological romance  
No romance, no romance, no romance for me mama  
come on baby tell me what's the word

Word up everybody says  
when you hear the call you've got to get it underway

Dial "L" for Love (x4)

W-O-R-D up (x4)

all you sucker DJ's who think you're fly  
there's got to be a reason and we know the reason why  
why you put on those airs and you act real cool  
but you got to realise that you're acting like fools

No romance, no romance, no romance for me mama

come on baby tell me what's the word

Word up everybody says  
when you hear the call you've got to get it underway  
Word up it's the code word  
No matter where you say it, you know that you'll be  
heard

Word up everybody says  
when you hear the call you've got to get it underway  
Word up it's the code word  
No matter where you say it, you know that you'll be  
heard
