Are You Lovin' Me More (But Enjoy It Less)

(Annette Tucker / Nancie Mantz)

Queen bee you give so much honey I'd never feel your
sting
But is it true you can overdo too much of a good thing
Once I could feel it baby you had heart up to here
Now you wheel and deal it baby when I'm holdin you
near

Chorus

Are You Lovin me More but enjoyin it less
Do you wanna say no while your tellin me yes... confess

I thought you were more than eager to march in my
parade
But in lookin behind me now I think that you have
strayed
Yeah I've been too easy baby and this I do regret
Cause you seem to like the gettin when it's harder to
get

Chorus
