I couldn't tell you I'm sorry
I couldn't get the words out right
I had every chance to keep you by my side
Now I'm empty, like this bottle
Like this house is going to be..
Packing your suitcase
Now I can see, what's right in front of me.

And I'm just drunk enough to tell you
Exactly what I needed to say
I'm just drunk enough to tell you
I need you please stay
'cause I'm sober enough to know maybe
It's a little too late
'cause I'm sober enough to see you
Walking away (walking away)

I had a moment of weakness
I hope that you can somehow find
Some forgiveness inside of you in time
I should of held you .. closer
I should of been there .. more
I was stupid I regret it
'cause now your walking out the door.

And I'm just drunk enough to tell you
Exactly what I needed to say
And I'm just drunk enough to tell you
I need you please stay
'cause I'm sober enough to know maybe
It's a little too late
'cause I'm sober enough to see you
Walking away (walking away)

Now I'm sorry I never meant to
Treat you this way
Your so beautiful and I wasted every chance you gave
me
If I could it all back,
You know I would
But I guess I'm too late.

Now I'm empty like this bottle
Like this house is going to be.

And I'm just drunk enough to tell you
Exactly what I needed to say
I'm just drunk enough to tell you
I need you please stay
'cause I'm sober enough to know maybe
It's a little too late
'cause I'm sober enough to see you
Walking away (walking away)

I'm drunk enough to tell you
Exactly what I needed to say
(walking away)
I'm drunk enough to tell you
I'm sorry (walking away)
I'm drunk enough to tell you exactly
What I needed to say
'cause I'm sober enough to
See you walking away...
