Small talk on the radio  
It seems I am going nowhere today  
Small talk gets you nowhere choose  
Between a curtain or a star and I'm silent to the dark

'Cause when I needed someone to talk to  
You were the only one around  
Small cost, it pays to be alone

Small talk on the radio  
It seems I am going nowhere today  
(Not today)  
Small talk gets you nowhere  
I'm silent to the dark and tepid only when you ask

'Cause when I needed someone to talk to  
You were the only one around  
Small cost, it pays to be alone

When I needed someone to talk to  
You were the only one around  
Small cost, it pays to be alone

And you can do anything you want  
Yeah, you can anything you want  
You can do anything you want  
It doesn't matter  
It doesn't matter

'Cause when I needed someone to talk to  
You were the only one around  
Small cost, it pays to be alone

When I needed someone to talk to  
You were the only one around  
Small cost, it pays to be alone

When I needed someone  
To talk to, to talk to, to talk to

'Cause when I needed someone to talk to  
You were the only one around

Small cost, it pays to be alone
