I sit on the edge  
I'm scared to look down  
I look away for a second  
And I see you shut ourselves in

And are you aware  
There's a rift between us?  
I can't think what it means  
I only ask myself why is it there

And there's a silence  
When you walk into the room  
And I don't feel I'm in control  
Oh no

I sit on the edge  
I'm scared to look down  
I look away for a second  
And I see you shut ourselves in

And are you aware  
Of this rift between us?  
Yeah, I can't think what it means  
I only ask myself why is it there

And there's a silence  
When you walk into the room  
And I don't feel I'm in control  
No

And there's a silence  
When you walk into the room  
And I don't feel I'm in control  
Oh no
