The world to day seems absolutly crackers
with nuclear bombs to blow us all sky high
theres fools and idiots sitting on the train
Its depressing, and its senseless, and thats why

I like Chinese

I like Chinese

They only come up to your knees

Yet they're always friendly, and ready to please

I like Chinese

I like Chinese

There's 900 million of them in the world today

You better learn to like them thats what I say

I like Chinese

I like Chinese

They come from a long way overseas

But they're cute and they're cuddly, and they're ready
to please

I like Chinese food

The waiters are never rude

Think of the many things they've done to impress

There's Maoism, Dowism, Eching and chess

I like Chinese

I like Chinese

I like their tiny little treats

Their Zen, their ping-pong, their Ying and Yangeeze

I like Chinese thoughts

The wisdom that Confucious taught

If Darwin has anything to shout about

The Chinese were survivors, without any doubt

So, I like Chinese

I like Chinese

They only come up to your knees

Yet they're wise and they're witty and they're ready to
please

--All together now--

While I jump around

While I jump around

While I jump around

{unknown Chinese?}

I like Chinese

I like Chinese

Their food is gaurenteed to please

{again! Unknown Chinese}

I like Chinese

I like Chinese

I like their tiny little treats

Their Zen, their ping-pong, their Ying and Yangeeze
