THE MEANING OF LIFE

Monty Python

Why are we here?

What's life all about?

Is G-d really weird?

Or is there some doubt?

Well, tonight, we're going to sort it all out,

For tonight is the Meaning of Life.

What's the point of all this hoax?

Is it the chicken and the egg time?

Are we all just yolks?

Ah, perhaps we're just one of G-d's little jokes!

We're sorting the meaning of life!

Is life just a game

Where we make up the rules

While we're searching for something to say?

Or are we just simply spiralling coils

Of self-replicating DNA?

What is Life?

What is our fate?

Is there a Heaven and Hell?

Do we reincarnate?

Is Mankind evolving, or is it too late?

For millions

This life is a sad vale of tears,

Sitting around with really nothing to say,

While the scientists say that we are just spiralling coils  
of self replicating DNA....

So just why ã¼ why are we here?

And just what ã¼ what ã¼ what do we fear?

Well, c'est â€ia, for a change it will be made clear,

For this is the Meaning of Life!

For this is the Meaning of Life
