Hey, come in here woman
Sit down
Come here 'cause we gotta talk
Okay
Oh, you just gon' ???
And I don't even know where to start
No, want you to try to understand something, girl
Now just listen

In the beginning you know I tried to make it work for
you and I
Seems like I was always by myself like you didn't ever,
ever wanna help
The strain you put on me, you let me down, can you tell
me why after all I've done
For you and us, know I really hate to say it , but I gotta
tell you something

I think I better leave you alone (Alone)
So get your bags (Yeah) and get the hell on (On)
See, because I don't want you no more (I don't want you
no more)
I think you better leave (Leave) me alone (Alone)
So get your bags (Yeah) and get the hell on (Get gone)
Because love ain't here no more

I don't know if it hurts to hear me say all of these words
But then again I guess by now I really don't care (Said
I've waited much too long)
Oh, always thought that it could work, thought it could
be forever you and me
Tell me what happened to us, wait a minute, don't
sleep 'cause right now all I wanna do is see

You leavin' (Leave) me alone (Alone)
Get your bags (Yeah), get the hell on (Oh, oh)
'Cause I don't want you no more
Said I think it's time to leave (Leave) you alone (Alone)
Get your bags (Yeah), get the hell on (Get gone)

'Cause love ain't here no more

See, I tried to do it right, tried to make you see the light
All that I wanted, all that I needed was you in my life
(All I needed was you in my life, whoa)
Had me broke down and for what
Tried so many times, forgot who the real me was
But it's alright, I said it's cool 'cause I'm getting rid of
you

I think it's time to leave (Leave) me alone (Alone)
Get your bags (Yeah), get the f*** on (On)
Because I don't want you no more
Said I think it's time to leave (Leave) me alone (Alone)
Get yourself and (Yeah) get the hell on (Get gone)
Woo, love ain't here no more

Oh, leave (Leave) me alone (Alone)
Get your bags (Yeah), leave the keys and the
checkbook (On)
I don't want you no more (See, I've waited much too
long)
It's time to leave (Leave) me alone (Alone)
Get your stuff and (Yeah) get gone (Get gone)
'Cause love ain't here no more (No more)

You better get on (Get on), get on (Get on)
Get on (Get on), you ain't takin' advantage (Get on)
Just get on (Get on), get on
Get on (Get on), leave the credit card and leave (get
on)

Said get on (Get on)
