"Scum Of Mankind"

Some of them will try to change you
And your life
But at the end they'll laugh and say to you
"You're mine"

Fuck their nature
Their nature
Fuck their nature
All bastards nature

Christianity
Polite and kind
Hipocrisy
Vile scum of mankind

Some of them will ask you to accept
Their faith
If not they wish to see you dead
In your grave

Fuck their nature
Their nature
Fuck their nature
All bastards nature

Christianity
Polite and kind
Hipocrisy
Vile scum of mankind

Fuck!
Vanity, smiles, hipocrisy, lies.
Lies!
