(Duet with Whitney Houston)

Over and over I look in your eyes
You are all I desire
You have captured me
I want to hold you
I want to be close to you
I never want to let go
I wish that this night would never end
I need to know

Could I hold you for a lifetime
Could I look into your eyes
Could i have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever

Over and over I've dreamed of this night
Now you're here by my side
You are next to me
I want to hold you and touch you and taste you
And make you want no one but me
I wish that this kiss could never end
Oh baby please

Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
could I hole you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever

I don't want any night to go by
Without you by my side
I just want all my days
Spend being next to you
Lived for just loving you
And baby, oh by the way

Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever
