(You can run, you can hide  
But you can't escape my love x2)

Here's how it goes, you and me, up and down but  
maybe this time  
We'll get it right, worth the fight  
'Cause love is something you can't shake  
When it breaks  
All it takes is some trying

If you feel like leaving  
I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love

So, if you go  
You should know  
It's hard to just forget the past, so fast  
It was good, it was bad but it was real  
And that's, all you have, in the end, our love matters

If you feel like leaving  
Well I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love

Here's how it goes  
All it takes is some trying

If you feel like leaving  
Well I'm not gonna beg you to stay

But soon you'll be finding  
You can run, you can hide  
But you can't escape my love

If you feel like leaving  
Well I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love

You can run, You can run, You can run, You can run  
You can run, You can run, You can run, You can run,  
You can run, You can run

(You can run, you can hide  
But you can't escape my love x2)
