You make me strong  
You make me weak  
You lift me off my feet  
You give me hope  
When all my dreams  
Seem like they're out of reach  
You make me understand  
The way the perfect love should be  
You take me to a place  
So high  
I never wanna leave  
Sometimes I think of all the things  
I should have said  
I hope its' not too late  
I wanna make you understand  
If the world crashed down over me  
I know that my life is complete  
Cause I've held you  
In my arms all night  
Without you by my side  
You whisper in my ear the words:  
Just hold me close tonight  
And when the pain is holding me  
Your love just sets me free
