So you think you got it all worked out  
And what you're searching for  
Isn't what you found  
Up in this world that's on the run  
A lot of hits but only a few  
Number ones  
I'm making love for fun  
Are you looking for a holiday?  
I'm making love for fun  
Why would you do it any other way?  
I'm making good  
On everything I said  
So baby just relax  
And let me do my thing  
Up in my world you better run  
There's only room  
For the few who can come  
When you don't have a place to go  
When everything feels the same  
I can change what you think you know  
Making love my way
