Un dia mas y tu no estas aqui
No me concentro tan solo pienso en ti

Dicen que basta
Que es hora de vivir
y es imposible
Ves lo que queda de mi

Aqui esta mi cuerpo
Para que hagas lo que quieras de el

Aqui esta mi alma
Para que sigas ensanandote

Aqui esta mi nombre
Para que pongas a su lado una cruz

Aqui esta el final
De mis suenos escrito en tu papel
Muneca Cruel

Aqui esta mi sangre
Que aun se altera cuando
me hablen de ti

Aqui esta por fin mi futuro
Y tu no estas en el
Muneca Cruel

Vuelve a llover
Todo me sienta mal
Salgo a buscarte
No se como empezar

Hago que duermo
Porque no quiero hablar
Mira mi vida
Es un desastre total

Aqui esta mi cuerpo
Para que hagas lo que

quieras de el

Aqui esta mi alma
Para que sigas ensanandote

Aqui esta mi nombre
Para que pongas a su lado una cruz

Aqui esta el final
De mis suenos escrito en tu papel
Muneca Cruel

Aqui esta mi sangre
Que aun se altera cuando
me hablen de ti

Aqui esta por fin mi futuro
Y tu no estas en el
Muneca Cruel

Cruel Doll

Another day and you're not here
I can't concentrate I only think of you

They say that's enough
That's its time to live
And it's impossible
Do you see what you left of me?

Here is my body
For you to do with what you want with it

Here is my soul
For it continues to follow you

Here is my name
So you can put a cross beside it

Here is the end of my dreams
Written on your paper
Cruel Doll

Here is my blood
Though it jumps when they
speak of you

Here at last is my future
And you're not in it

Cruel Doll

The rain comes again
Everything feels bad
I go to find you
I don't know how to begin

I sleep
because I don't want to speak
Look at my life
it's a total disaster

Here is my body
For you to do with what
you want with it

Here is my soul
For it continues to follow you

Here is my name
So you can put a cross beside it

Here is the end of my dreams
Written on your paper
Cruel Doll

Here is my blood
Though it jump when they
speak of you

Here at last is my future
And you're not in it
Cruel Doll
