Darling (yes Tina) you're starting to get next to me  
(Honey that was my plan from the very beginning)  
Darling (un huh) I never thought that this could be  
(What you mean) oh yeah  
Your lips set my soul on fire  
And you can feel one desire  
Oh darling (yes yes) I think it's gonna work out fine  
(It's gonna work out fine)  
I wanna tell you something Ike

Ike I've been to see the preacher man  
(The preacher man you must be losin your mind)  
I started (started what) I started making wedding plans  
(Oh really) oh yeah  
If your love is half as true as the love I offer you  
Oh darling (yes yes) I think it's gonna work out fine  
(It's gonna work out fine)

I keep a tellin' you (I think it's gonna work out fine)  
I get the feelin it's a (gonna work out fine)  
I keep a tellin' you (I know it's gonna work out fine)  
I'm so glad that you're mine all mine

Remember (remember what) I used to call you dapper  
dan  
(Yeah those were the good ole days)  
A thriller forever and a lovin man (that's me) oh yeah  
A whole lot of girls used to feel your speed  
But now pretty daddy I'm all you need  
Oh darling (yes yes) I think it's gonna work out fine  
(It's gonna work out fine)

I keep a tellin' you (I think it's gonna work out fine)  
I get the feelin it's a (gonna work out fine)  
I keep a tellin' you (I know it's gonna work out fine)  
I want you to know it's gonna work out fine
