God I wish that I could hide away
And find a wall to bang my brains
I'm living in a fantasy, a nightmare dream...reality
People ride about all day
In metal boxes made away
I wish that they would drop the bomb
And kill these cunts that don't belong

I hate people
I hate the human race
I hate people
I hate your ugly face
I hate people
I hate your fucking mess
I hate people
They hate me

My mother thinks that I am a jerk
Because I hate my bleeding work
Be like your daddy he's sincere
But don't be true ...or you'll be queer
I'm working at my 9 to 5
with boring cunts that give me jibe
their talking of the love they give
they never give...they never give

I hate people
I hate the human race
I hate people
I hate your ugly face
I hate people
I hate your fucking mess
I hate people
They hate me

God I wish that I could hide away
And find a wall to bang my brains
I'm living in a fantasy, a nightmare dream...reality
People ride about all day
In metal boxes made away
I wish that they would drop the bomb

And kill these cunts that don't belong

I hate people
I hate the human race
I hate people
I hate your ugly face
I hate people
I hate your fucking mess
I hate people
They hate me

My mother thinks that I am a jerk
Because I hate my bleeding work
Be like your daddy he's sincere
But don't be true â€¦or you'll be queer
I'm working at my 9 to 5
with boring cunts that give me jibe
their talking of the love they give
they never giveâ€¦they never give

I hate people
I hate the human race
I hate people
I hate your ugly face
I hate people
I hate your fucking mess
I hate people
And they hate me
