The Pistols said there was no future  
1976 Punk Rock was born  
And did we gave them some fucking bollocks  
The muso's said it was just a fad  
The patronising bastards got it wrong  
Musicians are so fucking boring  
Well we hit the streets with hell for leather  
You know Punk Rock's gonna live forever  
Punk Rock's gonna live forever  
Punk Rock's gonna live forever

We got no fucking heroes...Long Live Punk  
We got no feeling...Long Live Punk  
We got no ambitions...Long Live Punk  
We got no reason...Long Live Punk

Well crashing through the 80s and 90s  
Punk Rock metal guitar is all we want  
We don't want no fucking faggy riffs  
All the bands are going nowhere,  
Going nowhere yeah, but going strong  
Stick that right up your arseholes  
Well we hit the streets with hell for leather  
You know Punk Rock's gonna live forever  
Punk Rock's gonna live forever  
Punk Rock's gonna live forever

We got no fucking heroes...Long Live Punk  
We got no feeling...Long Live Punk  
We got no ambitions...Long Live Punk  
We got no reason...Long Live Punk

Well we hit the streets with hell for leather  
You know Punk Rock's gonna live forever  
Punk Rock's gonna live forever  
Punk Rock's gonna live forever

We got no fucking heroes...Long Live Punk  
We got no feeling...Long Live Punk  
We got no ambitions...Long Live Punk  
We got no fucking reason...Long Live Punk

We got no time for bastards...Long Live Punk  
Well burn those fucking bastards...Long Live Punk  
We got no inclination...Long Live Punk
