Welcome to England where there is no fun
Where there is no choice for any of us
Where there is no left, there is no right
New Labour's a joke, just another Thatcherite

Don't break the red tape
Don't break the red tape

Try and stop us, try and stop us, try and stop us
Don't try and stop us, try and stop us, try and stop us
Don't try and stop us, try and stop us, try and stop us
Don't try and stop us

Welcome to England where there is no love
Where the dreams of children vanish in the dust
Where the young and old die living in their sleep
And the only excitements are supermarket sweep

Don't break the red tape
Don't break the red tape

Try and stop us, try and stop us, try and stop us
Don't try and stop us, try and stop us, try and stop us
Don't try and stop us, try and stop us, try and stop us
Don't try and stop us

Don't break the red tape
Don't break the red tape
Don't break the red tape
Don't break the red tape

Try and stop us, try and stop us, try and stop us
Don't try and stop us, try and stop us, try and stop us
Don't try and stop us, try and stop us, try and stop us
Don't try and stop us

Try and stop, try and stop
Try and stop, try and stop, stop
Try and stop, try and stop
Try and stop, try and stop, stop

Shut up, sit down and listen

Shut up, sit down and listen
Shut up, sit down and listen
Shut up, sit down and listen, shut up
