In a dirty old bar
In a troubled town
Where you watch your step
And you keep your eyes down

Friend of a friend
Opened my mind
He's about to turn a lonely life
Over again
Over and over and over
And over again

With a brilliant mind
And your beautiful face
Took all my furniture
And threw it away
And all my hope
Has been restored
Where once was fear
Now there is love
Over again
And over and over and over
And over again

You can't live on memories where memories fade
This is a song so you'll get up, get up and dance in the
morning
A smile on your face
This is a song so you'll get up, get up and dance
Get up and dance

In a dirty old bar
In a troubled town
There's a place where I
I wanna sit down
Make our plans
For when we're [?]
We can build a life
Caught in a hole
Over again
And over and over and over

And over again

You can't live on memories where memories fade
This is a song so you'll get up, get up and dance in the
morning

A smile on your face

This is a song so you'll get up, get up and dance

And I crack my back working for somewhere to stay

And I'll never stop searching to find us a way

You can't live on memories where memories fade

This is a song so you'll get up, get up and dance in the
morning

A smile on your face

This is a song so you'll get up, get up and dance [x2]
