Standing in the rain, bus is late again  
She's been waiting for the answer  
She won't go away, until it comes her way  
She won't miss another chance  
And it's hard to take  
But she's hard to break  
And it's hard

There's a twinkle in her little eye  
Just for a minute, she feels like a dancer  
If you let her in she will stay for life  
Cuz she feels like a dancer, like a dancer tonight

On a single bed, where she lays her head  
She thinks about tomorrow  
And she doesn't know, that she beautiful  
But you know it shows  
And it's hard to take  
But she's hard to break  
Sais it's hard to take

There's a twinkle in her little eye  
Just for a minute, she feels like a dancer  
If you let her in she will stay for life  
There's a twinkle in her little eye  
Just for a minute, she feels like a dancer  
If you let her in she will stay for life

And tonight's the night that she will find it  
And the lights, the lights are all shining  
She feels like a dancer, feels like a dancer  
As she slips away again

There's a twinkle in her little eye  
Just for a minute, she feels like a dancer  
If you let her in she will stay for life  
There's a twinkle in her little eye  
Just for a minute, she feels like a dancer  
If you let her in she will stay for life  
Cuz she feels like a dancer  
Like a dancer

Like a dancer tonight
