Shelly was a good girl
She never left her daddy's side
She was a technodancephobic
And every night inside she'd cry

Megan was a bad girl
She never knew no right from wrong
Well, when they found her alone, her daddy left her at
home
They hoped that she was gone, yeah, yeah

?Cause they were bangin' on the back seat all night
long
Yeah, they were bangin' on the back seat all night long
Yeah, they were bangin' on the backseat and on the
backseat
Bangin' on the back seat all night long

Sammy was a good boy
He never left his mummy's side
He was an alcoholaphobic
And every night inside he'd cry

Danny was a bad boy
He liked to kick and scream and shout
Well, on a Saturday night he got that feeling alright
To throw his weight about, yeah, yeah

?Cause they were bangin' on the back seat all night
long
Yeah, they were bangin' on the back seat all night long
Yeah, they were bangin' on the backseat and on the
backseat
Bangin' on the back seat all night long

Yeah, yeah, so they were bangin' on the back seat all
night long
Yeah, they were bangin' on the back seat all night long
Yeah, they were bangin' on the backseat and on the
backseat
Bangin' on the back seat all night long

I said, bangin' on the backseat and on the backseat
Bangin' on the backseat
Yeah, they were bangin' on the back seat and on the
backseat
Bangin' on the backseat all night long
