[Illa J] Relax your mind **{\*3X\*}** Close your eyes It's Yancey Boys... Doo-doo, doo-doo **{\*4X\*}** Set your mind free, let your mind free That's the past, don't remind me This the present, and that's the future No (negative energy) I will mute ya Only positive energies surround me Only, open minds around me Only, free spirits around me I let my vision guide me And, I let the rhythm find me I don't panic I just work it out Plan A, let's do it We got shit to do, let's get to it It's all good, that's what Dilla said~! Get your shine on, get that bread You know what you need, doo-doo **{\*2X\*}** Doo-doo, doo-doo You know what you need, doo-doo Doo-doo, doo... doo By the way, this is for those with a purpose This is for souls with a purpose And souls that make music with a purpose I'm tryin to bring the underground to the surface I'm tryin to get that Rolls Royce with the curtains Anyway, peace out y'all, I'm closin the curtains Closin the curtains It's Illa J, I'm closin the curtains Jay Dee... Yancey Boys... peace
